The Alice Ferguson Foundation's mission is to connect people to the natural world, sustainable agricultural practices and the cultural heritage of their local watershed through education, stewardship and advocacy.

Experience, Education, Action

From the rolling hills to the river shoreline, from the woodlands to the wetlands, each year thousands of school children share a journey, many for the first time. At the Hard Bargain Farm Environmental Center, we facilitate this journey whose outcome is lifelong stewardship, appreciation, and awareness of our natural environment.

We invite you to become a member or donor and help support the Alice Ferguson Foundation's mission. Your contributions directly support our environmental education programs.
