

Pinot on the Potomac

Celebrating 70 years of helping people find joy in nature

**at the Alice Ferguson Foundation
September 21, 2024**

Welcome!

We are so glad you're here! Thank you for joining us at the 10th Annual Pinot on the Potomac signature garden party and gala. Enjoy Maryland wine and beer, delicious cuisine, and live music entertainment as we celebrate *70 incredible years* of providing environmental education programs to over one million students, teachers, and the surrounding community.

We are delighted to share our breathtaking views of the Potomac River with you, as well as our longtime history of providing environmental education to students from Prince George's County, Southern Maryland, and the greater Washington, DC region.

Your financial support this evening directly impacts students' lives and the hands-on, minds-on outdoor programs that challenge and nurture students. During their time with us, science and nature come alive right before their very eyes...sometimes for the very first time. It's these transformative moments that help turn students into stewards who take action to care for the natural world.

We would like to extend our heartfelt thanks to our Board of Directors for their invaluable contributions to making this year's Pinot on the Potomac a resounding success. A special thank you to Steve & Rose Kim and their team for their hard work in revitalizing the garden landscaping, ensuring a beautiful setting for the evening. We also want to express our gratitude to Brian Kane for his guidance and expertise in helping create a new landscape plan. Your efforts truly made a difference, and we are so grateful for your continued support!

We have been looking forward to this special evening with you and hope you have a wonderful time. *Cheers!*

A blue ink handwritten signature of Theresa Cullen. The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
